14 \* \* \*

15 (11) Except as provided in Subsection G of this Section, prepare and submit

1        §1443.2. Legislative findings; purposes

2            A. The Legislature of Louisiana hereby finds and declares the following:

3            (1) Families with minor children comprise a significant and growing  
4 segment of the homeless population of this state.

5            (2) As filed with the Administration for Children and Families, the Child  
6 Care and Development Fund plan of this state for the period October 1, 2013,  
7 through September 30, 2015, does not provide for any services to families  
8 experiencing homelessness.

9            (3) Louisiana requires parents who receive subsidized child care to work or  
10 attend school for a prescribed number of hours in a defined period as a condition of  
11 receiving child care assistance; but, unlike many other states, does not waive work  
12 and education activity requirements for homeless parents.

13            (4) Compliance with work and education activity requirements, as is  
14 mandated currently for homeless parents to receive child care assistance, is  
15 disproportionately more burdensome for homeless parents than for parents with  
16 stable housing, and creates unique risks to the safety and health of homeless children.

17            B. The purposes of this Chapter include, without limitation, the following:

18            (1) To mitigate barriers that Louisiana families experiencing homelessness  
19 face in accessing child care.

20            (2) To reduce the incidence of developmental delays and physical and mental  
21 health problems among young children who experience homelessness by providing  
22 access to quality child care.

23        §1443.3. Child Care and Development Fund state plan; prioritization of access by  
24 homeless families to child care

25            A. In order to fulfill the purposes of this Chapter, the secretary of the  
26 department shall take such actions as are necessary to accomplish all of the  
27 following:

1           (1) Ensure that services to families experiencing homelessness are included  
2           within the CCDF plan of this state if allowable as a use of Child Care and  
3           Development Block Grant funding pursuant to federal regulations.

4           (2) Allow for a homeless child to enroll immediately in subsidized care  
5           pending submission of necessary entry documentation.

6           (3) Waive requirements relative to hours of work and school engagement for  
7           homeless parents who apply for child care assistance and demonstrate that they are  
8           seeking employment or participating in a transitional living program.

9           (4) Collaborate and coordinate efforts with all of the following persons and  
10          entities to improve access by homeless families to information concerning child care  
11          and transportation to child care placements:

12           (a) Local child care programs.

13           (b) Local educational agency liaisons designated pursuant to the  
14          McKinney-Vento Education for Homeless Children and Youth Act.

15           (c) Any other persons and entities that provide services to homeless families.

16          (5) Collect data that indicates whether parents who receive child care  
17          subsidies are homeless.

18          B. The department shall promulgate rules in accordance with the  
19          Administrative Procedure Act, institute departmental policies, secure requisite  
20          federal approvals, and undertake any other actions as may be necessary to implement  
21          the provisions of this Section.

22          Section 3. This Act shall become effective upon signature by the governor or, if not  
23          signed by the governor, upon expiration of the time for bills to become law without signature  
24          by the governor, as provided by Article III, Section 18 of the Constitution of Louisiana. If  
25          vetoed by the governor and subsequently approved by the legislature, this Act shall become  
26          effective on the day following such approval.
